## **City of Riverside Announces Changes in Financial Leadership**

RIVERSIDE, Calif. – The City of Riverside's Finance Director, Brent Mason, is retiring effective April 1.

Mason began his service with the City in 1994 as Riverside's Controller. He was named Assistant Finance Director in 2003 and Finance Director in 2011.

An interim replacement will soon be named to ensure an effective transition and management of the Finance Department during the next four to six months.

The City of Riverside will conduct a national recruitment for a new Finance Director.
